MAKE OF RECORD LETTER

The following error was noted in comparing the printed patent with the papers in the attorneys' files:

In the Specification:

Column 28, line 46, "as thermal" should read -- as a thermal --

Column 23, lines 14-15, "By this seal to a smaller diameter" should read – By decreasing this seal to a smaller diameter --

Since these are minor errors, we are not requesting the issuance of a Certificate of Correction. However, it is requested that this letter be made of record in the file of the patent.
